Mrs. Effie Manley
Newark Eagles Baseball Club,
Crawford Street,
Newark, New Jersey.

Dear Mrs. Manley:-

On contemplating opening our Home Promotion of heavy Baseball Games some time in the near future we are trying to arrange bookings with the top Pro teams of the East including teams of the Negro National League if possible, as well as the Newark Eagles. I have been informed that to gain such bookings I must consult your office for you hold the Franchise for this area and must sanction teams of the League playing here. Can you enlighten me thoroughly on this as we would like to get under way almost immediately?

For clarity on the subject we intend to play on Saturday afternoons, which, I believe, will not detract from your drawing power on Sundays or other days.

Your cooperation on this will be greatly appreciated and we would welcome games with your club with which to open the Season of the Triangle Big Nine. (at home).

Very truly yours,

Benj. F. Jones
